OUR MISSION

Our mission is to provoke conversations that have never happened and otherwise never would.

Founded in 1986 as MANHATTAN CLASS COMPANY, MCC began as a collective of young actors, writers, and directors determined to steer their own artistic development and redefine the NY theater scene with the kind of stories they wanted to see on the stage. That work continues today at our home, THE ROBERT W. WILSON MCC THEATER SPACE, a creative hotbed where our ARTISTS, STUDENTS and STAFF have the freedom to stir things up, all under one roof.

- **WE PRODUCE EXCITING THEATER.** We produce seasons of BOLD new plays and musicals by exceptional ARTISTS.
- **WE DEVELOP NEW WORK.** We develop NEW WORK by emerging and established artists through a rigorous process that encourages CREATIVE RISK-TAKING.
- **WE HONOR YOUNG VOICES.** Each year our education programs use the power of theater to CULTIVATE the imaginations of over 1200 high school STUDENTS across NEW YORK CITY.
- **WE GET PEOPLE TALKING.** COLLABORATION and COMMUNITY are at the core of everything we do.

LEARNING & CULTURE

Driven by our mission to provoke conversations, we are committed to using the power of theater to ask some of the essential questions of our times. Our **LEARNING** programs break down barriers to embolden students and young audiences to deepen their curiosity and find confidence in their voices. Those voices are uplifted as their words are woven together to form the fabric of our in-school partnerships, **UNCENSORED**, Brooklyn Youth Company **UNCENSORED**, and **FRESHPLAY** performances.

In our **Playwriting Lab**, each company member develops an original script through weekly workshops where they receive the support of their peers and the mentorship of professional playwright JUAN RAMIREZ JR. Each December, participants see their work come to life in our **FRESHPLAY DISCOVERY** series. Select students will continue to develop their plays through the spring for our **FRESHPLAY FESTIVAL**, which features a public reading of their work with professional actors and directors.

In our **Performance Lab**, participants collaborate to create an original play under the leadership of professional theater artist KAREEM M LUCAS. The ensemble explores weekly exercises in voice, movement, writing, and devising. The process culminates in an original production of **UNCENSORED** that aims to reflect the world they live in and imagine the world they wish to create.

The **Brooklyn Youth Company**, which operates in the same spirit and process as our Performance Lab, is open to all students at High School for Public Service in East Flatbush. This school partnership emphasizes building community and introduces students to the creative process while they collaborate to create and perform their own original **UNCENSORED** production under the leadership of CLOTEAL L. HORNE and MARISSA STEWART.

The **Ambassadors Program (AMBIES)** is open to emerging theater artists between the ages of 21 and 30 with an interest in producing and administration. This program aims to demystify the NYC theatrical landscape through monthly curated conversations and workshops at the MCC Theater Space as well as off-site visits and theater-going opportunities.

For twenty years, MCC Theater has forged relationships with New York City public high schools through our **Classroom Partnerships**. These collaborations are rooted in the needs and interests of each partner school. Our teaching artists partner with school teachers to integrate theater into classroom learning with the goals of enlivening curriculum, fostering conversations, and encouraging creative expression.

HOW TO JOIN: Auditions for the Youth Company are open to all NYC High School students. Auditions for Playwriting Lab will be in October 2026 and in January 2027 for Performance Lab. For more information about the Labs and how to get involved with the Youth Company, email education@mcctheater.org.

LEARNING & CULTURE

Our **PUBLIC ENGAGEMENT** programs invite audiences to delve deeper into our onstage work as well as build bridges across our community artistically and geographically.

We strive to cultivate opportunities and experiences that develop our connection to the works on stage and with each other. We welcome communities from all across New York City and beyond. A visit to MCC goes beyond taking in a show. Community members are invited to continue to explore, expand, and grow through our discussions, creative workshops, and community-building events.

Join us for our post-show TALKBACKS with artists and AUDIENCES CONVERSATIONS moderated by MCC staff after select performances and for FORUM DISCUSSIONS and COMMUNITY EVENTS aimed at provoking conversation. Thank you to our Public Engagement partners whose collaboration makes our work possible!

LAND ACKNOWLEDGMENT

MCC THEATER wants to center our event in practices rooted in fostering community. We acknowledge how the PAST and the FUTURE converge on our PRESENT. MCC'S theater home sits on the UNCEDED land of the LENAPE people. We acknowledge that this stolen land was worked on by enslaved Africans. May this living land acknowledgement—to the LENAPE, their elders past and present, and their future generations, as well as to the experience of enslaved Africans and their descendants, serve as a starting ground for change.

THE GARY PLATT INITIATIVE FOR NEW MUSICALS

The GARY PLATT INITIATIVE FOR NEW MUSICALS supports the costs of developmental readings, workshops, and new musical productions at MCC, with the goal of inspiring new voices and adding to the American musical theater canon.

The Initiative was formed in 2019 by Julie and Marc Platt and their family to honor the memory of their uncle and great-uncle, Gary, whose lifelong love of musical theater instilled in them a passion for this unique storytelling art form.
